1. Your Memoir

Imagine you are 70 years old, and you are writing your own memoir. What would you like this book to say about you? Include in your response, **what you will have accomplished**, **how you will be remembered**, and **what your legacy will be**. Write every single thing that comes to mind and be as specific as possible. You do not need to be realistic or justify your dreams.

What would the title of your memoir be?
