#### Effective Spring 2016-Spring 2021

**As a University of Maryland student, you are an informed and active participant in your education. Therefore, you should:**

- Know your benchmark/gateway and degree requirements
- Develop a graduation plan which leads to a timely graduation
- Review your academic audit and evaluate your career planning progress during your junior year
- Take appropriate actions to remove registration blocks and register on time
- Adhere to University and College policies and deadlines
- Be responsible for your academic actions and decisions

**Academic and Career Planning advisors are here to assist you in meeting your educational and professional goals. Therefore, the College is committed to the following:**

- Introducing you to major and University requirements upon your entrance to a BSOS major
- Providing assistance during academic difficulty
- Referring you to helpful campus resources
- Providing academic and career advising throughout your undergraduate career

### ECON Major Benchmarks

**Benchmark Requirements:** In accordance with University policy, the Department of Economics has established benchmark requirements. Students are expected to demonstrate continuing progress in their majors by completing prerequisite or required courses with the appropriate grades within an established timeframe. Students who do not complete benchmark requirements will need to choose a new major and will not be permitted to return to the Economics major at a later time.

**Benchmark 1:** *ECON majors must complete the following courses within two semesters of entering the major:*

- Academic Writing with C– or higher
- Additional Gen Ed course with D– or higher
- ECON200 with C– or higher
- ECON201 with C– or higher
- MATH140 with C– or higher
- MATH141 with C– or higher

**\*\* More than 3 ECON courses per semester may not be permitted\*\***
